Speaker Organiser

We are very sorry that Elizabeth Taylor has resigned as a trustee and as Speaker Organiser. She has served on the Board and in this role for many years. The Board would like to place on record our thanks for all your hard work and time Elizabeth.

Would you be interested in taking on this important job? Elizabeth has organised the 2027 Monthly Meeting speakers, so we need to make a start on those for the following year.

Please let one of the trustees know if you'd like to know more.

Have you been Victim of Fraud:

We have received an approach by a trainee clinical psychologist who is currently conducting research exploring the experiences of adults aged 65 and over who have been affected by fraud or deception by someone they knew or trusted.

If you would like to share your experience of any such fraud and the investigation is complete, the researcher, Shannon Edwards, would love to hear from you.

The research would involve a one-to-one discussion online or via email (the researcher is based at the University of Leicester in the East Midlands) which could last up to 75 minutes.

All identifiable information will be removed to protect individual identities. To ensure confidentiality, if you are interested in participating please contact Shannon Edwards directly by email at se220@leicester.ac.uk.

All participants will receive a £20 Love2shop voucher as a thank you for your time.
